Dear Sirs,

We are delighted to inform you that you have achieved our preferred contractor list. You have achieved this by maintaining your approved health and safety status, performing well on our project/s both with your commercial approach and with your on-site delivery. You have also achieved a good reputation for pricing tenders reliably and well.

Obtaining our new contractor listing means that you will be first on the list for future enquiries. We hope as a result, that this means we will not only undertake many successful projects together in the future, but also your company and ours will build a stronger relationship, bettering our edge in the market.

If you would like to visit our Head Office to discuss any of the above, please feel free to get in touch.

Yours Faithfully

Clive Yorath
